SUMMARY

An experienced IT systems engineer with over four years of expertise in application software development, specializing in web applications and complex systems. I excel in full-stack development using technologies such as .NET Core, PHP, and Angular, and I leverage my skills in database management and reporting. As a dedicated team player with strong communication skills, I am eager to contribute my expertise to innovative projects.

EXPERIENCE

04/2023 - Present

Lahore, Pakistan

Full Stack Developer

Punjab Skills Development Fund (PSDF)

PSDF is the largest skills development fund in Pakistan, set up by the Government of the Punjab.
